

91st Annual Report

CITY OF RUTLAND, VERMONT

FISCAL YEAR ENDED JUNE 30, 1983

Cover Photo: Memorial Hall was built on West Street in 1883 as a memorial to Rutland's Civil War veterans and as a meeting place for Rutland's two Grand Army of the Republic posts, Roberts Post #14 and Sennot Post #12. In 1931 it was torn down to make way for the federal building. The City exchanged the property for the federal building on Court Street, since that building provided more adequate quarters for the Rutland Free Library, which had been located in the basement of Memorial Hall. DEDICATION

The 91st Annual Report of the City of Rutland is dedicated to John W. Barrett in appreciation of his many years of service to his City and his community.

On May 2, 1983, the Board of Aldermen "with deep regret" accepted the resignation of John W. "Jack" Barrett from his position as City Clerk. A position that he held with distinction for sixteen years.

Jack first came to work for the City of Rutland as a substitute fireman in April of 1947. He was appointed a regular fireman on January 1, 1948 and served in that capacity until October 25, 1952. Jack served in the Marines in World War II and was called back for active duty in the Korean Conflict.

In April 1960, Jack re-entered city employment in the City Clerk's office. On June 28, 1967, he began his sixteen year career as City Clerk.

Well known to all Rutland residents, popular among fellow workers, Jack's abilities and affability will be sorely missed at City Hall. His devotion to his job, his desire to serve his neighbors and his love of the City made Jack a most valuable civil servant.

Best wishes for a happy retirement, Jack.

And Thank You.

**EMPLOYEES OF THE CITY OF RUTLAND
DECEASED OR RETIRED
JULY 1, 1982 — JUNE 30, 1983**

DECEASED

Herbert L. Erickson	(DPW)

Joseph E. Meyers, Sr.	School Department
Frances Shedd	School Department

The Mayor's Message

To the Citizens of Rutland:

Fiscal year 82-83 was an election year for several city positions, including that of mayor. I wish to express my gratitude to the voters of this city who showed sufficient confidence in me to re-elect me to serve them in another term as Mayor.

During that campaign, I spoke with many people who strongly expressed their desire to hold the line on spending and retain the charter limit as it has been held for many years. We have done this for the upcoming fiscal year, although the task was not easy.

Over the past year, we have begun to tackle major problems facing the city. Water mains, sewer lines and streets have begun to simply wear out. The voters have seen fit to begin a planned replacement of these necessary facilities by authorizing five years of bond expenditures to rebuild on city infrastructure. Other major facilities that have been authorized are our expanded sewage treatment plant, the solid waste-to-energy facility, and a new wells system or purification plant for our drinking water supply. These projects bode well for improving the delivery of city services for many years to come.

Fiscal year 83-84 will be the year in which the efforts of planning for these improvements will be rewarded. Although the new year will test our will to provide the same city services with minimum departmental budgets, we will see the start of construction of new city facilities that exhibit the strength of the Rutland community for years to come.

Respectfully,
JOHN J. DALEY
Mayor

RUTLAND CITY BOARD OF ALDERMEN

Seated: Betty Ferraro, Linda Welch, Shirley Smith, City Clerk Rosemary Finley.

Standing: David Zsido, Kevin Mullin, Robert Stafford, Robert Kinney,
President Howard Shortsleeve, John Cassarino, Hayden Bride, Nicholas Barone

OFFICE OF
CITY ASSESSORS

CITY HALL
RUTLAND, VERMONT

To the Honorable City Council and
the Citizens of Rutland, Vermont

It is my pleasure to submit the annual report of the Assessors Office for fiscal year ending June 30, 1983.

On February 18, 1983, the City of Rutland, signed a contract with Spencer-Fitts to do a complete reappraisal of all property, real and personal, in the City. As of this date, July 1983, the project is well under way and will be completed in April 1984. This has been a good project that I have supported, for as long as I have been an assessor and would not have been possible without the support of many people in City government.

I would like to take this opportunity to thank the Mayor and all department heads and their staffs and to Mrs. Smith and her reappraisal committee.

My personal thanks to Peg Cillo for her patience and help.

Respectfully submitted:
CHARLES M. FRANZONI
Assessor

DEPARTMENT
BUILDING AND ZONING
 RUTLAND, VERMONT

To The Honorable City Council:

I am pleased to submit to you the Annual Report of the activities of the Building Inspector's and Zoning Administrator's office for the fiscal year ending June 30, 1983.

The last quarter showed a marked increase in number of building permits which reflects a slight upswing in the economy.

ORIGINAL INSPECTIONS PERFORMED

52	Business and Commercial
150	Complaints and Violations
721	Certificates of Occupancy

BUILDING PERMITS ISSUED

16	Single family houses	\$ 644,000
48	Residential Alter/Addn	2,270,225
58	Other Alter/Addn	1,229,121
10	Swimming Pools	64,075
15	Garages (residential)	53,916
12	Sheds	9,825
2	New stores & mercantile	170,000
2	New warehouses	285,000
1	New industry	1,529,000
5	New commercial buildings	329,000
1	New restaurant (Wendys)	150,000
1	Housing for Elderly	900,000
1	Demolition	14,750
182		Total \$7,648,912

I wish to thank his Honor the Mayor, the Board of Aldermen, the Board of Zoning Adjustment, the Planning Commission, and the personnel of all other City departments for their cooperation and assistance in making the transition to my current position a relatively easy one.

Respectfully submitted,
 Francis S. Wallett,
 Building Inspector and
 Zoning Administrator

OFFICE OF THE
CITY ATTORNEY

RUTLAND, VERMONT

To The Honorable City Council and
The Citizens of Rutland:

This is my first report to you as City Attorney. Because it covers the year ending June 30, 1983, my portion of the report is for a brief twelve weeks. William Bloomer very efficiently and competently did the job for the rest of the year. He deserves your appreciation and certainly has my thanks and congratulations for the fine job he has done and for making the transition to me as smooth as possible.

The year has been a successful one because it has continued the trend toward efficiency in the City Attorney's office. With each year the volume of legal matters confronting the City increases and to manage those matters without the need to increase proportionately the expenditure in money and time points to successful management.

Union contracts for both Police and Firemen were signed during this year which were retroactive and almost immediately thereafter new negotiations were begun with all three unions. Unfortunately we were unable to reach an agreement during this year, but the cooperation between the unions and department heads points to optimism that resolution is in sight. The negotiating process will now begin sooner making it more likely that contracts can be reached before the end of a fiscal year.

The City continues to be the subject of many law suits. While I am certainly unopposed to people asserting their legal rights, the number and nature of these law suits is frustrating. A goal should be earlier and less costly resolution of disputes.

It has been a pleasure undertaking this position. I have particularly enjoyed working with the staff, Board of Aldermen, Mayor, Board of Zoning Adjustment and Planning Commission. Hopefully my opinions, advice and legal drafting will rise to the heights necessary to serve the City.

Respectfully submitted,
FRANK H. ZETELSKI,
ESQ.
City Attorney

City Clerk

Honorable City Council:

Mayor Daley, Ladies and Gentlemen:

The staff of the City Clerk's office shared in the regret with which the resignation of long-time City Clerk Jack Barrett was received. Jack's presence at City Hall will be sorely missed by his many friends inside and outside of City Government. We all wish him a happy retirement.

I would like to express my appreciation to the staff of the Clerk's office for the extra efforts required of them during the period following Mr. Barrett's retirement, and especially for the valuable assistance they have rendered to me since I took office in June. The responsibilities placed on the City Clerk's office by State Statute and City Charter are many and varied and the experience gained over the years by the office staff has greatly facilitated the continuity of operations of the office over the last several months. My thanks to Mary Rita Wallett, Mary Rose Pillon, Mary Elizabeth Hackett and Donna Fuller for their assistance, cooperation and adaptability.

I would also like to thank Mayor Daley, the Board of Aldermen and all City Department heads for their cooperation, assistance and acceptance of the changes that are being made in the procedures of this office.

Respectfully submitted,
Rosemary F. Finley
City Clerk

**OFFICE OF THE CITY CLERK
REPORT OF VITAL STATISTICS**

For the Calendar Year 1982

The record of births, marriages and deaths filed in this office during the year 1982 was as follows:

Total number of births registered in 1982	869
Total number of deaths registered in 1982	518
Total number of marriages registered in 1982	211

(See statistics below for vital statistics comparison.) (Due to the fact that vital statistics records are reported to the State for the calendar years, we are unable to report for the fiscal year covered by this report.)

Births Registered in Rutland — Years 1972 to 1982 Inclusive

City Treasurer

To the Honorable City Council
Rutland, Vermont

Ladies and Gentlemen:

I present herewith the 1983 annual financial report setting forth the financial position of the City of Rutland at the close of the fiscal year ended June 30, 1983.

All debt requirements of the City were met promptly during the year. Serial bonds totaling \$200,000.00 were retired. Payments of \$5,334.96 were also made on the direct reduction loan of the Parking Meter Fund. Combined interest payments on the bonded debt amounted to \$196,196.50, of which interest amounting to \$173,814.00 was paid on outstanding School Construction Bonds.

GENERAL FUND: This fund is financed by revenues from general property taxes, licenses, permits, fines, revenue from other agencies, charges for current services and other miscellaneous revenues.

During the fiscal year ended June 30, 1983, revenues actually received were \$145,818.56 greater than budget estimates, and expenditures were \$70,293.50 greater than budgeted appropriations.

SCHOOL FUND: During the fiscal year ended June 30, 1983, revenues actually received were less than budget estimates in the amount of \$1,002,320, and expenditures were \$1,020,455 less than budgeted appropriations. As of June 30, there was a surplus in the amount of \$859,596.

REVENUE SHARING: During fiscal 1983, the City received \$665,168.00 in Revenue Sharing Funds, and interest earned amounted to \$24,725.49.

Summary statement of cash receipts and disbursements presented in Schedule I, summarizes the activity of the various funds during the fiscal year ended June 30, 1983.

Respectfully submitted,
R. J. Graves
City Treasurer

City of Rutland, Vermont

Figures include special assessment for Old Age Assistance paid to State of Vermont, \$5.00 on each poll.

*Six month period January 1st to June 30th, 1951.

Civil Defense Department

To the Honorable City Council
and Citizens of Rutland:

Ladies and Gentlemen:

It is a pleasure to present the Annual Report of the Civil Defense Department for the Fiscal Year ending June 30, 1983.

This past year we had four weather related emergencies which necessitated opening the Civil Defense Operations Center. One of the emergencies was a heavy, wet snowfall of 6" to 8" on April 16 and 17, 1983. Also, there were general alarm fires which I responded to and helped the Salvation Army in obtaining aid for the displaced families.

I attended several very informative Seminars and Conferences again this year. As in the past, these meetings proved extremely helpful to me in the administration of the Civil Defense Program.

Last August, George Lowe, State Civil Defense Deputy Director, Kelman Craige, Nuclear Civil Protection Planner for Vermont Civil Defense and myself participated in a radio talk show discussing Civil Defense. In March we had a meeting with the Rutland Clergy at the Methodist Church, defining the Crisis Relocation Program to them.

As in previous years, Civil Defense had a booth at the Vermont State Fair in September where numerous pamphlets were handed out to Fairgoers and questions were answered by the volunteers staffing the booth.

On September 18th I assisted the Hubbardton Civil Defense organization in putting on a Hazardous Materials Transportation Exercise. This involved a gas tanker truck and school bus accident. The Exercise was a good learning experience for all involved.

On Halloween Eve and night the Communications volunteers patrolled the city streets in their cars (with C.B. radios), as they have in the past, assisting the Police Department.

The "Block Mother" Program was reinstituted again last Fall in the elementary schools, with the cooperation of Richard Fitzsimmons, Juvenile Officer in the Police Department. It is now known as the "Block Parents" Program. We both gave several talks at city elementary schools about this very fine program.

From November 1 through March 31 the "Mayor's Emergency Fuel Fund" was administered by this office. Proceeds from the Mayor's Horse Racing Program at the Fairgrounds held during the summer, and contributions from Rutland City Churches, the Synagogue, Veterans and Service Clubs, private individuals and corporations provided the very necessary funds for this worthy cause. Many City residents in desperate need of financial help for a fuel purchase received help from this Fund.

In January I attended the first Safety Committee meeting, representing City Hall employees. These meetings, held once a month, with Leta Finch of Burlington as Consultant, are held to discuss ways that the accident rate can be lowered by City employees, thereby stabilizing the insurance premium costs. At the February meeting I was chosen Chairman of the Committee. I am confident that this Safety Program will be very productive as time goes on.

On May 16, 1983 the Civil Defense office, (along with the other City Hall offices), again participated in the Elks "Youth Day" whereby the high school student designated as "Director" came to my office and learned of the responsibilities of Civil Defense and later attended a "mock Aldermanic" meeting.

On May 19 and 20 I and some of the Communications volunteers helped the parents during the Christ the King "Walk-a-Thon" making sure that the children walked the route safely and with no ill effect.

As in previous years, the School Crossing Guard Program went very smoothly. I want to extend my appreciation to each and every Guard for the very fine job they did through the school year. A few of the Guards have left the Program as of the end of this school year. They are Flora Johnson, James McFarren, Joyce Eastman, Debra Esslinger, Marie Manney, Newell Peryer and Florence Teachout. They will be very much missed for their loyal and dedicated service through the years at their various Guard posts and I wish them well in the years ahead.

I would like to express my appreciation to Mayor Daley, the Board of Aldermen, City Officials and employees, Civil Defense volunteers, the State Civil Defense staff and the news media for their cooperation and assistance in helping to make this a successful year for the Civil Defense Department.

Respectfully submitted,
Aldo M. Manfredi,
Director—Civil Defense

Community Development Director

To the Honorable City Council and the Citizens of Rutland:

I hereby submit the annual report of the activities of this office for the fiscal year ending June 30, 1983.

Planning and Grants

Every effort to identify federal and state funding sources for a variety of city programs has been made. Nine applications were submitted this year to a variety of federal sources. Three are still pending, three were withdrawn and three were rejected. Groundwork for three new applications has been laid with submission expected this fall. A planning advance of \$50,000 was secured from the state to study the possibility of using groundwater as a potable water supply.

A comprehensive capital improvement program was developed by the City Planning Commission and Board of Aldermen. Five of the identified projects received overwhelming endorsement by city voters. This program will allow for a continual, planned replacement program of city streets, water mains and sewer lines as well as the separation of storm and sanitary sewers and an improvement to the municipal water supply.

Economic Development

Over \$550,000 in new development is scheduled to begin during the next fiscal year in the Rutland Region. Major projects include the Southwest Bypass, Waste to Energy Facility, Sewage Treatment Plant, Bardwell Hotel Renovations, Sewer Collector in Mendon and Sherburne, widening of South Main Street from Strongs Avenue to the city line, and improvements to the Rutland State Airport and Clarendon Industrial Park. These investments signal a continued growth in the local economy.

Discussions with several potential developers and industrialists have occurred regarding interest in locating new facilities in the city. These contacts will continue as new information and creative financing mechanisms become available. A close working relationship with the Rutland Industrial Development Corporation has been established to maintain an inventory of industrial sites and coordinate efforts to attract new jobs and tax bases.

A business plan and funding program have been formulated for the renovation of the Paramount Theater in downtown. Aside from the obvious benefit to the cultural environment of the region, this facility is expected to generate more than \$1.5 million in new retail and restaurant sales in the Central Business District.

Participation in regional groups by the city such as the Rutland County Solid Waste District and the Regional Ambulance Service emphasizes the willingness on behalf of the city to approach common problems on a regional, rather than parochial, effort.

Membership in economic development groups continues, including Economic

Development Council of Southwest Vermont and the Chamber of Commerce Committees on legislation, transportation and the arts.

ONGOING ACTIVITIES

This office has been designated by the Mayor to insure non-discrimination on the basis of handicaps. Efforts are being made to eliminate architectural and physical barriers which restrict handicapped persons from fully participating in community affairs. Likewise, attitude awareness of physical disabilities is being promoted with more effort planned in this area.

Membership in the International City Management Association is continued to ensure that new or improved managerial techniques may be applied to governmental operations in the city. Membership in the Vermont Association of Community Development Officials and the National Community Development Association ensure that, as new grant possibilities are developed, the city will be among the first to apply for such assistance. Membership on the Vermont League of Cities and Towns new corporation on Worker's Compensation continues in an effort to create an insurance plan which will reduce insurance premiums required by the city.

A daily working relationship has been established with the Rutland Regional Commission and various state and federal agencies. These relationships will hopefully result in Rutland being a better place for work and leisure.

I would like to express my gratitude to all who have helped in these efforts since my appointment in November. I particularly thank the Mayor, Board of Aldermen, City Department Heads and Commissions for their cooperation and courtesy shown to me and this office.

Respectfully submitted,
Thomas G. Macaulay
Director of Community
Development

Constable and Tax Collector

To the Honorable City Council:

As City Constable and Tax Collector of the City of Rutland, I am pleased to submit for your consideration the financial report of this office for the fiscal year, July 1, 1982, through June 30, 1983.

Real Estate, personal property and poll taxes collected during the period amounted to \$412,910.28.

General bills which include water and sewer installations done by the City, sidewalk and curb improvements, tree removals and other expenses totaled \$5,058.51.

Water and sewer assessments amounted to \$62,655.15.

The cumulative total for all monies collected by this office during the fiscal year was \$480,623.94.

May I take this opportunity to thank sincerely the Honorable Mayor, City Attorney, other City officials and employees for their cooperative efforts during the past year.

Respectfully submitted,
L. Bernard Waterman
Constable and Tax Collector

Fire Department

The Honorable Mayor John J. Daley,
The Honorable City Council and
The Citizens of the City of Rutland

This is the eighth time that I have had the distinct pleasure of submitting the Fire Department's portion of the City's Annual Report. The main reason that it is a pleasure for me is because I am able to state that there were no fire related deaths again this year. This is the third year in a row that we can make this statement.

The Department answered a total of 1,792 calls for assistance during the year. This was an increase of 115 calls over the previous year. Fire calls decreased by 52 but there was a dramatic increase in the number of Rescue calls. Fire alarms accounted for 30 percent of the total. Rescue calls amounted to 55 percent and miscellaneous service calls accounted for 15 percent. There were only three general alarms for the year and no large dollar loss in any of these alarms.

At this time I would like to thank all the members of the Fire Department for a job well done this year. I would like to take this opportunity to thank the Mayor, City Council and the other City Departments for their assistance and cooperation during the year. A special thank you to Larry LaMontagne who retired from the Building Inspector's position this year. The job that he did during the years that he served the City was a great help in making this report of no deaths and low dollar loss due to fire possible. I wish him well.

Respectfully submitted,
Richard M. Barron
Chief, Fire Department

Grand Juror

To the Honorable City Council and
Citizens of the City of Rutland

It is my pleasure to submit the Annual Report of the City Grand Juror's office for fiscal year ending June 30, 1983.

During the past year, this office has been responsible for the collection of the fine revenues in the amount of \$28,470.00. In addition, the combined efforts of the Police Department and this office collected \$52,924.80 for parking violation fines.

This office has worked closely with the Police Department, Mayor's Office, Building Inspector's Office, Department of Public Works, Fire Department, City Attorney and the Board of Aldermen. An atmosphere of cooperation has been created at City Hall which benefits all of the citizens of the City of Rutland.

Respectfully submitted,
Andrew W. MacLean
City Grand Juror

Health Officer

To the Honorable City Council and
The Citizens of Rutland, Vermont

I hereby submit the annual report of the Health Officer for the fiscal year ending June 30, 1983.

The Board of Health became actively involved in the fluoridation issue during the past year recommending it to the citizens of Rutland. We are confident it will be beneficial to the children of the city and anxiously await its implementation.

During the past year the Health Officer maintained supervision of local issues, quarantines, as well as direct reporting of communicable diseases to the State Health Department. Many public health nuisance allegations were investigated with the cooperation of the Building Inspector. Close scrutiny over public water testing by the city and state was achieved through the cooperation of the water treatment manager.

A monthly report of activities is submitted to the Mayor and City Council.

My appreciation to others in City Government for their cooperation.

Respectfully submitted,
William A. O'Rourke, Jr.,
M.D. — Health Officer

Milk Inspector

To the Honorable City Council and
The Citizens of Rutland, Vermont

I respectfully submit the annual report of the Milk Inspector for the fiscal year ending June 30, 1983.

The Milk Inspector is responsible for issuing licenses for milk products distributed in the city and indirectly with the storage of these products by wholesale and retail distributors. Because milk producers are outside the city limits we have been fortunate to obtain the correspondence of the director of the Dairy Division of the State Department of Agriculture and receive testing reports on milk products that will be distributed for retail sale. No problems have been detected over the past year.

Disposition is complementary to the office of Health Officer and a monthly report is submitted to the Mayor and City Council.

Respectfully submitted,
William A. O'Rourke, Jr.,
M.D. — Milk Inspector

Rutland City Planning Commission

To the Honorable City Council:

The commission with assistance from Thomas Macauley, presented a five year capital budget plan to the Board of Aldermen for their consideration. We updated the zoning regulations and zoning map for consideration by the citizens.

New sub-division regulations were drawn up and presented to the Board of Aldermen for their consideration.

We also prepared a Business Entertainment ordinance and further revised it to allow for more restaurant sale of spirits under controlled conditions.

The Planning Commission wishes to thank all City employees who gave of their time and talents so cheerfully to assist the Commission.

We also would like to express our appreciation to all the citizens who attended our public hearings and offered helpful suggestions.

Respectfully submitted,
George W. Clewes,
Chairman,
Planning Commission

Police Department

To The Honorable City Council
City of Rutland
Rutland, Vermont

Dear Ladies & Gentlemen:

I respectfully submit the Annual Report of the Police Department for the fiscal year ending June 30th, 1983.

The department in the past few years has undergone a very significant change in personnel. The average age now is 38.38. This includes four officers over the age of sixty. So you can see, the Rutland Police Department is a very young department.

During the past year, officers were sent to the following schools: Hazardous Materials, Motorcycle Gangs, Accident Investigation, Dignitary Protection, Street Survival, Clandestine Lab Investigations, D.U.I. Enforcement, CPR Course, Alcohol Workshops, Substance Abuse Awareness, Police Dog Seminar, Defensive Tactics, Basic Radio-Logical Course, Auto Theft Seminar, Drug Enforcement Investigation Course, Fingerprint Classification, Identi-Kit, Armorer School, Firearms Instruction, Defensive Driving and Weapon Qualification. These schools help your Police Department be a more professional organization.

I would like to thank the following law enforcement agencies for their help this past year: Vermont State Police, Rutland County Sheriffs, Federal Bureau of Investigation, U.S. Marshall's Service, Vermont Liquor Control and the Vermont Criminal Justice Training Academy.

Thanks to the news media who have been helpful this past year such as publishing the composites of wanted subjects.

The Rutland School Department has been especially cooperative with the department this past year.

A very special thanks to the men and women of the Rutland Police Department who did such great police work this past year. They are the best.

Thanks to the Mayor and the Honorable Board of Aldermen for their help and support.

Respectfully,
Charles E. Spoon
Chief of Police

Public Works Department

To the Honorable City Council
and the Citizens of Rutland:

I hereby submit the annual report of the activities of the Department of Public Works for the fiscal year ending June 30, 1983.

The Department of Public Works provides a variety of basic services to the citizens of Rutland. In addition to the major projects listed below, the Department is responsible for the day to day maintenance of City streets, a complex network of sewer collection mains and water distribution mains, the City Landfill, the Water Pollution Control Plant, the area comprising the city's watershed and the Water Treatment Plant. In addition, the Department responds to citizens complaints on a daily basis and emergency situations on a 24 hour basis. Citizens are reminded to contact the Police Department for emergency situations when the Department's business office is closed.

I would like to thank and commend all the personnel in the Public Works Department for their dedication and professional manner. I would also like to thank Mayor Daley, the Board of Aldermen, particularly Public Works Committee Chairmen Nick Barone and Hayden Bride, and the other department heads for their cooperative and courteous attitude towards the department.

The Department of Public Works should and will continue to serve the citizens of the City of Rutland to the best of its ability.

Thomas G. Macaulay
Commissioner of
Public Works

STREETS and SEWERS DIVISION
Donald Foster, Assistant Superintendent
Donald Santwire, Foreman
James Ward, Foreman

STREETS:

Hot Mix (Bituminous Concrete) Paving Program:

2,366 tons of hot mix was placed by our contractor, Whitcomb Construction Co., at a cost of \$68,259.10.

Streets paved (or portions of) were as follows: Main Street, Lincoln Avenue, Hillcrest Road, Dorr Drive, Woodstock Avenue, Grove Street, Vernon Street, Ridgewood Lane, Park Avenue, Stratton Road, Brightview Avenue, Robbins Street, Killington Terrace, Granger Street and Beldon Road.

Curb and Sidewalk Projects:

The Department installed approximately 495 feet of concrete curbing and 165 feet of concrete sidewalk.

SEWERS:

Sewer Main Projects:

Vernon St. — 368 feet 10" dia. vitrified clay pipe
22 feet 8" dia. vitrified clay pipe
12 feet 4" dia. vitrified clay pipe
2 Manholes

James St. — 122 feet 8" dia. vitrified clay pipe
Granger St. — 285 feet 8" dia. vitrified clay pipe
37 feet 6" dia. vitrified clay pipe
5 feet 4" dia. vitrified clay pipe

Maple Street — 544 feet 8" dia. vitrified clay pipe
24 feet 6" dia. vitrified clay pipe

Davis Street — 175 feet 8" dia. vitrified clay pipe
9 feet 6" dia. vitrified clay pipe
5 feet 4" dia. vitrified clay pipe

Killington Terr. — 55 feet 8" dia. vitrified clay pipe

Summer Street — 25 feet 10" dia. vitrified clay pipe
69 feet 8" dia. vitrified clay pipe
15 feet 6" dia. vitrified clay pipe
1 Manhole

Thrall Ave. — 34 feet 10" dia. vitrified clay pipe

Ridgewood Lane (Storm Drain) — 432 feet 10" PVC pipe
5 Catch Basins

Service connections installed/repared	41
New manholes	11
New catch basins	17
Sewer main repairs/plugs	6
Sewer plugs private	73

Winter Maintenance:

The winter of 1982 had a total accumulation of approximately 34½" of snow. A total of 2120 tons of salt were used costing \$64,279.56 as opposed to the previous year's amount of snowfall of 63½" and the salt used of 4465 tons.

WATER POLLUTION CONTROL PLANT

I hereby submit the Annual Report of the Water Pollution Control Plant for the 1982-1983 fiscal year.

During the past year a total of 2,033,665,000 gallons of sewage and wastewater was processed by our plant. In addition, 90 cubic yards of grit was removed from the system together with a various assortment of debris other than sanitary waste.

Because of budget restrictions, the plant was unable to have any major renovations done during the past year. It is at this time we are awaiting construction and upgrading of this plant. In the spring of 1984 construction is estimated to begin.

Pasquale Barone, superintendent of the plant for the past ten years, and an employee of the city for a period of twenty years; and Jerome Stuart, custodian at the plant for ten years, retired during this past year. The employees at the plant and I congratulate and wish them happiness in the future years.

As in past years, we have had the pleasure of conducting many tours of students and individuals through the plant and explaining its operation. We are pleased to the reaction and interest from those groups and look forward to more visits from them.

I would like to thank all of the employees at the plant since my appointment as Acting Superintendent and look forward to their continued cooperation.

Respectfully submitted,
Robert L. Harvey
Acting Superintendent

WATER DISTRIBUTION

Bruce Matt, Water Distribution Manager

	1980-81	1981-82	1982-83

Replace Meters	87	74	34
Outside Meter Readers	119	106	79

CITY FOREST
Dave Richards, City Forester

Dave Richards was in charge of all forestry work including management of the city's ornamental trees and the 4,000 acres of city forest in the watershed.

Total revenue from timber and firewood sales in the city forest were \$30,070.00.

Under the city's ornamental tree program 40 trees were removed, 10 trees were planted, 106 trees received maintenance such as pruning, cabling, fertilization, etc.

ENGINEERING

The Engineering staff under the direction of City Engineer, Warren E. Conner, provides survey, design, and other engineering services for all divisions of the Department and for other departments within city government.

In addition to providing these services, the Engineer Division compiles and constantly updates plans and records of water and sewer contracts and specifications for jobs let out for bid, provides information to contractors and others concerning city utilities, prepares necessary easements and performs other duties of an engineering nature as required.

Plans and survey layouts were provided for the following major projects during the year:

White's playground — survey for B.O.R. grant; Vernon St. — replace sewer and water mains, rebuild street; Grove St. — rebuild street; Granger St. — replace sewer main; Maple St. — replace sewer main; Davis St. — replace sewer main. A comprehensive hydrant map was compiled for an upcoming fire insurance rating survey.

One hundred and two building permits were reviewed in conjunction with the Building Inspector's office.

The city's consulting engineers, Dufresne-Henry, Inc. of Springfield, Vt. are presently working on the final design of the upgrading of the City's Wastewater Disposal Plant with construction of the new plant scheduled to start in the spring of 1984. The estimated construction cost to upgrade the plant is approximately \$11,000,000 of which the State and Federal governments contribute 90% of all eligible costs. City voters approved the bond issue to pay the city's share of this construction in the March 1982 election. Planning, survey and coordination of all design work and land acquisition for this project is being carried out by the Engineering Division.

Technical information requested by the City and Town (Rutland) negotiations for the proposed City-Town sewer agreement was compiled and submitted to them.

In May of 1983 the D. L. Maher Co. completed a groundwater feasibility study for the city. This report, which was funded by a Planning Advance from the State of Vermont, identified land owned by the city surrounding the city reservoir as having a very high potential as a groundwater source to replace the surface water source presently being utilized (Mendon Brook). A groundwater source would eliminate the need for the proposed \$4,500,000 water treatment plant.

The next step which will be to test wells to determine quantity and quality of water available, will be pursued in the next fiscal year.

In April of 1983, the city entered into an agreement with Wright Engineering, Ltd. of Rutland to do a feasibility study on the production of hydroelectric power utilizing the city's reservoir and other water supply facilities.

The Engineering staff includes Warren E. Conner, Alan Shelvey and John Havens.

WATER TREATMENT

Rolla Jasmin, Water Treatment Manager

During the 1982-1983 fiscal year, there were 580 150-lb. cylinders of chlorine used for water treatment for the city at a cost of \$15,733.96.

There were 250 lbs. of granulated chlorine used on streams in the city's watershed and on banks of the reservoir at a cost of \$419.83.

There were 400 lbs. of copper sulphate used for treatment of algae control at the City Reservoir.

Monthly water system operations reports were sent to the State Division of Environmental Health in Burlington, Vermont. These reports include the results of daily testing of coliform bacteria and turbidity.

There were 906 tests of free and available chlorine, pH and temperature taken throughout the City of Rutland and the results catalogued.

For the fiscal year ending June 30, 1982, the city's laboratory tested 996 water samples for contamination from various points within the city's water system and 229 samples from brooks and ponds in the city's watershed and the city reservoir.

All results were reported to the State Health Department in Burlington and to Rutland City Health Officer, Dr. William A. O'Rourke, Jr. Test results are reported to Dr. O'Rourke directly; and any positive results are reported immediately. The Water Division of the Department of Public Works works closely with Dr. O'Rourke and the Rutland City Board of Health with regard to the quality of the city's drinking water.

Deficiencies and recommendations affecting the quality of the city's water are discussed with Dr. O'Rourke and the Board of Health.

Long range plans concerning ground water sources and treatment are discussed in the Engineering section.

Four new pumps were installed in the Upland Drive pumping station to upgrade pressure and fire protection in that section of the city.

The city's water laboratory, in cooperation with the Champlain Water District and the University of Vermont participated in a federal research grant to identify bacteria found in the raw water supplies of Rutland City and the Champlain Water District. The information and experience gained through this project will be useful in monitoring the city's water system in the future. In addition the city's laboratory now has the capabilities of identifying bacteria which may be found in the system.

CITY WATERSHED

The Rutland City Watershed comprises 12,000 acres of which over 4,000 acres are owned by the City of Rutland as city forest. The 35 miles of brook originating on it have filled Rutland City's reservoirs since 1878.

Maintenance of water quality in our reservoir requires good sanitation practice on our watershed and surveillance of tributary streams to maintain the quality of water entering the reservoir.

The city's watershed is constantly being patrolled to check for any failure of septic systems in the watershed.

As a further check on the watershed, brooks in the watershed are continually being monitored. Samples from these brooks are taken periodically to check bacteria counts.

Installations inspected for proper sewage disposal facilities:

Motels	10
Restaurants and Diners	10
Ski Lodges	10
Condominiums & Apartments	6
Alpine Village	37
Private homes	212
Business complex	2
Commercial	18
TOTAL	305
Number of inspections	231
Number of violations	5
Number of violations corrected	2
Being corrected	3

It has been an active year for construction in the watershed including several new homes and commercial development. Also, the repair and expansion of a number of commercial and private buildings reflects the increasing land use of our watershed.

Rutland Recreation and Parks Department

To the Citizens of Rutland, and Honorable City Council, I respectfully submit our Annual City Report for fiscal year ending June 30, 1983.

HALLOWEEN PARADE: The Department's 23rd Annual Halloween Parade slithered through Rutland on a balmy October 31, attracting a huge crowd of marchers and on-lookers alike. Trophy winners were:

“MOST ORIGINAL” — Senior Citizens Center

“BEST IN SHOW” — Mill River Union High School

“MOST CREATIVE” — WSYB/WRUT Radio Station

Receiving “Honorable Mention” for costumes and entries were MSJ Band and Majorettes, D. Ross, Paul Hausmann, Marilyn Candlish, and Center St. Saloon's Killer Bees. And “WHO” . . . disguised as Jack O'Lantern . . . none other than . . . that notorious City Attorney, William Bloomer to the surprise of no one! Miss Alicia Young was drawn as winner of the O'Lantern contest and received a bicycle donated by K-Mart. Miss Karen Pawlacyzk, of West Rutland High School, was selected Pumpkin Princess and had the honor of leading off our parade.

CHRISTMAS EVENTS: Our Annual Needy Toy Project served 191 Rutland families, and a total of 394 children. Our sincere thanks go to all those service organizations and private donors who made this Project possible. Special thanks this year to the inmates of the Correctional Center who donated their time and effort in making wooden toys. Christmas and Holiday Programs at the Recreation Center included a special visit from Santa, Pinocchio presentation, “Phone Calls” from Santa, Crafts & Ceramics Classes, and holiday gym and game room hours and tournaments.

HERITAGE CONSERVATION & RECREATION SERVICE PROJECTS (HCRS) ROTARY FIELD AREA: HCRS Project FY '81 Phase #II was completed. Included in this phase was parking lot/access; picnic area; service road paving; play apparatus; landscaping and control gate; and associate site work.

WHITE PARK PROJECT: We received state approval for Land & Water Conservation Funds to develop White Park. Included in this Project are two regulation softball fields, and site work for the amount of \$200,000.00. The Project is now being reviewed to submit to the Federal Government for approval.

RUTLAND SENIOR CENTER ANNUAL REPORT — 1982-83

The Rutland Recreation and Parks Department, Senior Center has continued to grow during 1982-83. An increase in participation is evident with the amount of continued new programs. An estimated 43,000 Seniors took part in the many activities listed below:

RECREATION PROGRAMS AT THE CENTER

Art Classes (Oils, Acrylics, Water Colors)

Tax Assistance

Consumer Information Service:

"Central Vermont and You, Energy
Conservation."
Bell Telephone: "You and the Phone
Co. The Coming Changes."
Medicare and Social Security:
"What to Expect in 1983-84."
Rutland County Extension Service:
"Understanding Computers."

General Electric Artist Foundation Performance: During May, Robert Small who is a General Electric Affiliate Artist presented an outstanding informance on dance, incorporating the audience in the presentation.

Volunteers: Much of the success of the programs and activities are due to the many volunteers who give generously of their time and talents. Their continued interest and talents are invaluable. They help in publishing the monthly newsletter, instructing classes, assisting in special events and service programs. A core of (38) thirty-eight volunteers gave of their time, and their help and support is greatly appreciated.

Rutland County Nutrition Program: The Rutland County Nutrition Program, which uses the Rutland Senior Center as meal site served an estimated 14,500 meals.

Long Range Goals: The Rutland Recreation and Parks Department goals for the Senior Center during the coming years will be to continue to add (1) Educational Programs, (2) increased Male Participation, and (3) to expand the Services of the Center to reach more of our Older Population.

PINE HILL DAY CAMP

- Session I: July 19-30
- Session II: August 2-13
- 9:00 A.M.-3:00 P.M.
- Giorgetti Park

BASKETBALL CAMP: July 12-16 at Giorgetti Courts. Participants — 46. Jr./Sr. Divisions. Camp Director: Frank Bizzarro.

TRACK CAMP: June 28 - July 9 at the Vo-Tech School Track. Age Divisions: 6/9, 10/12, 13/14. Participants — 119. Camp Director: Greg McClallen.

GYMNASTICS CAMP: June 21 - July 2 at the Leo F. Keefe Gym. Participants — 28. Camp Director: Marsha Wilson.

FRANK CROWLEY MEMORIAL ROAD RACE: 5th Annual Proctor to Rutland Run of 10 Kilometers. Participants — 134. DIVISIONS: Super Master, Master, Sub-Master, Open and 17 and under. Jack Arthur of Rutland placed first again this year! Held June 6.

CREATIVE PLAYGROUND: Session I: June 21 - July 9 / Session II: July 27 -August 13. Participants: 50. Program held at Madison St. Mini Park.

TENNIS PROGRAMS: Six weeks of Lessons beginning June 14, for students ages 8 and up, and adults. Instruction for beginner and advanced levels. Participants — Adults - 39 / Students - 50. The **Dr. Ralph Seeley Memorial Junior Tennis** Tournament was held September 23 and 24 at Rotary and White Tennis Courts. Approximately 60 youngsters entered the event. The **Wightman-Harris Tennis League**, which is designed to introduce children to competitive tennis play, was made up of 3 city teams, 1 from Brookside, 1 from Mendon, and 1 from Rutland Town. Championships were held August 24, 25, & 26. Divisions: Juniors 14 & under / Seniors 18 & under.

ANNUAL FISHING DERBY: The Derby was held at Combination Pond on Saturday, June 26, from 9:00 A.M. thru Noon. The Program was co-sponsored by the Rutland Kiwanis Club who furnished prizes and refreshments.

STATE RECREATION TRACK MEET: Held Sunday, August 1, in Essex Jct., Vt. Coach was Greg McClallen. In the 40 yard dash, Jenny Taylor took first place with 6.4 in the age 7 & 8 division.

TWILITE TRACK MEETS: Held weekly on Tuesday evenings, 6:30 P.M. at the Vo-Tech Track beginning July 20 for all age groups. Coordinator: Greg McClallen.

CONCERTS:

Rutland City Band — Every Sunday
British-American Band — June 23
Rutland Rockets — July 21
Marble City Band — Aug. 11
Vermont Symphony Summer Pops — July 17
Bourbon Street Brass — July 7

MITEY MITE BASEBALL PROGRAM — Boys & Girls — Ages 7-9

Giorgetti — 6 teams — 86 Participants
Whites — 4 teams — 60 Participants
Northeast — 4 teams — 63 Participants

JUNIOR LEAGUE BASEBALL PROGRAM — Ages 13-16 — Morning League

Giorgetti Park — 40 Participants
Mickey Caliguiri — League Supervisor

MIDGET LEAGUE BASEBALL PROGRAM — Boys & Girls — Ages 10-12

Games Play at Whites Park & Rotary Park
Total Teams 14 — Approximately 200 participants

SENIOR LEAGUE BASEBALL PROGRAM — Students age 13 by January 1981, cannot turn 18 before December 31, 1981. Games Held at Giorgetti Park.

5 teams — 139 Participants

ADULT SOFTBALL LEAGUES

GAMES PLAYED AT THE FOLLOWING FIELDS: Meadow Street North and South, Rotary, Giorgetti and Northeast. Divisions as follows:

Men's A Division—6 Teams	Men's C Division—14 Teams
Men's B Division—13 Teams	Wm's A Division—8 Teams
Men's BB Division—12 Teams	Wm's B Division—5 Teams

WHITES SWIMMING POOL

Pool opened June 12, 1982. Instructions were given in three, three-week sessions from Beginner thru Advanced Lifesaving. Adult lessons were held every Tuesday and Thursday evenings. City Swimming Championships were held July 30. A lot of enthusiasm was shown this year for our swim team, and we hope it will grow into a strong competitive group. A new Wading Pool was added to Whites this year for the very young.

COLLEGE BOARD PREPARATION COURSE: Ronald Savage, a Professor in the Education Department at Castleton State College, and an experienced College Board Educator conducted the course for interested students in their Junior and Senior High School years for five evenings. The course gave students a chance to increase their college board scores.

***OUTDOOR ADVENTURE PROGRAMS:** Through our application for a Grant to the "Turrell Fund" of East Orange, N.J., and subsequent obtaining of such in the amount of \$5,300.00 the following programs were offered through our Department.

***OUTDOOR ADVENTURE DAY CAMP:** The Camp was a mobile program using a van to transport youngsters to hiking and caving sites within a 35 mile radius of Rutland. Sessions were as follows: 9:00 A.M. through 3:00 P.M.

June 21-June 25	Grades 7, 8, & 9	July 6-July 9	Grades 6 through 9
June 28-July 2	Grades 5 & 6	July 12-July 16	Grades 3 & 4

***CAVING & ROCK CLIMBING LESSONS & EXCURSIONS:** Rock Climbing techniques of belay, rappel, and friction climbing were taught on elementary and intermediate rock faces. Caving trips suitable for age groups involved were explored. Grades 6 thru 8, met from 9:00 A.M. to 3:00 P.M. for four consecutive Wednesdays, and Grades 9 and Over met on four consecutive Fridays.

***OVERNIGHT HIKING:** A two day hike on Long Trail was held from July 27 through July 28 for ages 14 and over, and August 10 and 11 for ages 11 through 13.

***OVERNIGHT BIKE TRIP:** A 70 mile trip for ages 14 and over, and a 50 mile trip for ages 12 through 14, through the Sherburne, Woodstock Area. The trip was co-sponsored by Green Mt. Schwinn Cyclery. Ages 11-13 biked July 21 and 22, and Ages 14 & over August 4 and 5.

PAINTING & DRAWING COURSE: A four week course offered to Grades 6-8 on Thursdays, beginning June 24, and to Teens and Adults on Tuesdays beginning July 13. The groups traveled to nearby picturesque spots. Instructor, Barbara Campbell.

CLUBS AND ORGANIZATIONS USING RECREATIONAL FACILITIES: Moore Business Forms, March of Dimes Foundation, Marble Valley Players, State Department of Forests & Parks, Vo-Tech Pre-School, Rutland Audubon Society, Rutland Business & Professional Women's Club, Christ the King Parents Club, Area Girl Scouts, Rutland Mental Health Groups, Rutland Community Correctional Center, Rutland County 4-H, Home Demonstration Club, Dick Leger Callers School, Parents Nursery Guild, Rutland County Foster Parents Association, Vermont Group Child Care Association, R.S.V.P., Rutland Senior High Schools Student Services, Rutland High School and Mt. St. Joseph's Tennis Teams, Rutland City Republican Party, Coalition of Service Providers, Sirloin Saloon, State Department of Environmental Commission, and Rutland High School's Baseball team.

LONG RANGE PLANS

New Recreation Community Center with indoor pool.
Outdoor Amphitheater
Physical Fitness Trails
Continued Development of Giorgetti Park
Lighten Fields

FISCAL NEEDS OF THE DEPARTMENT

Much needed maintenance equipment (trucks, mowers, etc.)

Maintenance garage

Irrigation system for fields

Department Park Policemen

I would like to take this opportunity to express my appreciation to the Mayor, Board of Aldermen, citizens of Rutland, and all volunteers who unselfishly contributed their time and energy.

Total expenditures were: \$392,455.15

Total receipts were: \$18,466.51

White Fund interest: \$7,007.52

Board of Adjustment

The Board of Zoning Adjustment during the past year granted ten variances and denied 6 variances.

We would like to express our thanks to retired Zoning Administrator Lawrence LaMontagne for his assistance and cooperation during his tenure as Zoning Administrator.

We also would like to express our thanks to all the City employees who gave so freely of their time and talents to help us during the past year.

Respectfully submitted,
William H. Foley, Sr.
Chairman

CHANGING THE SYSTEM

The Rutland Public Schools have undergone substantial change over the past year. Unlike the five years or so prior to this period, the last twelve months saw changes that were anticipated and even initiated by the board, administration, staff, and community. Unlike the previous period, the majority of these changes were designed to strengthen Rutland's system of public education.

In 1983-84, for example, we will have a full time administrator (Housemaster) assigned to each elementary school. This move is long overdue.

Starting in 1983-84, the Rutland Public Schools will be the first school district in Vermont to self-insure its employee health and dental benefits. This will provide us with much more complete information regarding the use of this benefit. It is hoped that through an examination of this data improvements can be made in our health plan that result in greater service at lower cost. In addition, the School Board and Rutland Education Association have agreed to institute a "Stay Well Program" that offers a financial reward to employees who stay well.

The energy conservation measures adopted in connection with the Bond issue are already paying off. Fuel consumption has dropped 100,000 gallons per year since the voters approved the Bond two years ago, insuring a quick return on our investment in efficiency.

The power and flexibility of our financial controls and reporting systems has been strengthened through the adoption of new procedures (many of which were recommended by our auditors), the purchase of our new computer and the creation of the position of Business Manager.

Finally, the Rutland Public Schools now has a formal Statement of Mission. This statement was assembled by a group of individuals broadly representing the Rutland Community and designed to give the board and administration a set of goals toward which we may work. A few years from now our Schools should be evaluated against this document. It is my hope that the changes made thus far will result in measurable progress toward reaching many of these goals.

Jeffrey N. Wennberg
President
Board of School
Commissioners

Department of Education

To the Honorable City Council:
Ladies and Gentlemen:

This has been an exciting year for the Rutland Public Schools. The stage has been set for major gains in breadth and quality of our educational program. The themes which we announced last year of improving school effectiveness and expecting mastery of basic skills have served us well in improving upon what was already a fine educational program.

Performance expectations of everyone associated with the system have been raised. Time on task has been dramatically increased. Of the factors within our control which relate closely to student achievement, time on task is one of the most important. Teachers and administrators are constantly planning to reduce distractions. Teachers are relieved where possible of involvement with activities which take time away from instruction. For example, elementary teachers no longer have to collect lunch money. Student movement from teacher station to teacher station has been reduced. Within the classroom a teacher's time devoted to instruction has been increased. Generally, teachers have expected a higher level of performance and tolerated less disruptive behavior from students. Many teachers have adopted practices of classroom management based upon the Reality Therapy Concept.

No substitute can provide the quality of instruction characteristic of the regular classroom teacher. Lost time on the part of those who support the instructional program is equally devastating to the effectiveness of the school program. I was extremely pleased by the response of our employees to our efforts directed at reducing absenteeism. Aside from strengthening our program and enhancing our ability to execute our mission, the reduction in absenteeism this past year saved our school system \$33,564.67 in expenditures. This is a sizable amount of money.

The next bulge in school enrollment is entering our school system. There is no room left in the elementary schools we now operate and many spaces are inappropriate to the type of instructional program assigned. Enrollment patterns are changing at the secondary level. More students from Rutland Town and Barstow are coming to the Lower House (Grades 7-9) in the ninth grade. Interestingly there must be a number of families moving into the city who have students at the Lower House level. Very unexpectedly our resident student population at that level is increasing. The facilities in the high school are being used at saturation and have been ever since returning to a regular school day. While I was not here at the time, I understand that the elongated school day and open campus were less than desirable responses to a severe overcrowding situation. All of this is by way of supporting my contention that

we immediately need to plan for capital improvements taking into consideration new enrollment projections and instructional program needs.

I cannot close without commenting on the future picture in regard to financial support for our schools. This year's budget required a tax effort within eleven cents of the charter limit. Unless significant relief comes from reappraisal or general state aid, a financial crunch will be felt in the near future.

We are trying very hard to control health care costs. Premiums for health and dental insurance now exceed half a million dollars a year, and are rising. This year we are moving to a self-insured program with stop loss insurance to limit our exposure. We are also offering a financial stay well incentive to discourage unnecessary use of benefits. We will continue to explore other cost containment options in the year ahead.

We have been pleased with your response to the Rutland School Report. It will be continued. I would appreciate any suggestions that you have for articles or format.

It has been a good year. I look forward to continuing in the service of youth and citizens of Rutland.

Respectfully submitted,
Lloyd A. Kelley, Jr.
Superintendent of Schools

Rutland School Department

In accordance with Rutland City Board of Education Policies, a free appropriate public education for all handicapped children is guaranteed. If your child is handicapped or you know of a handicapped school age child who is not currently being served, please contact the Pupil Personnel Office at 773-1917.

The Rutland Historical Society

The Rutland Historical Society is pleased to acknowledge the continued financial and moral support of the City of Rutland during the past fiscal year. This included an annual city grant, use of the Society building at 101 Center Street and storage space in the upper level of the old Nickwackett Fire Station.

The past year has been devoted to preparation for a new decade of growth in both the Society's collections and activities. The constitution was streamlined to meet the needs of a Society with a larger scope of activities and a greater participation of members in those activities.

Efforts were made to bring the activities of the Society to the main stream of Rutland life and to a larger audience. The annual summer exhibit was moved to the larger facilities of the Thrall Chapel of the Methodist Church on Chestnut Street. A Sing-a-long program, which drew a sizeable and enthusiastic crowd, was held in the Center Street Alley. The usual monthly programs of lectures and historical presentations were held in the facilities of the Fox Room of the Rutland Free Library from September to May. The Rutland Historical Society Quarterly has continued its significant role in documenting and spreading knowledge of Rutland's history to young and old alike. The Society's Farm Museum has continued to be a notable feature of the Rutland Fair scene. In the past year the Society has met the requests of many businesses for copies of historical pictures and materials for exhibit and decorative purposes. It is the policy of the Society to provide such services for broad community use at cost.

The Society still actively seeks historical materials of all types and appreciates gifts of this nature. Remember the Society when you are disposing of family collections of all sorts of items from the past.

Finally, the Society is still relatively young. It is attempting to develop an endowment fund to provide for the larger quarters the future will require. Please remember the Rutland Historical Society in your will and charitable bequests.

James S. Davidson
President
Rutland Historical Society

RUTLAND FREE LIBRARY STATISTICAL REPORT**July 1, 1982 - June 30, 1983**

Name of Library: Rutland Free Library

Rutland Free Library

REPORT OF THE LIBRARIAN For the Year Ending June 30, 1983

To the Honorable City Council and Citizens of Rutland:

It is a pleasure to present this annual report as Director of the Rutland Free Library.

The library, in common with other city departments and many businesses, was affected by the tightening in our economy this past year. It appears that this will be the pattern for at least the near future as well. One example of this is the library's staff size, which now is the same as it was in the late 1950's, despite the many more services, programs, and much larger and more varied materials collections which are offered now at the library.

Use of the library was very heavy throughout the past year, especially during the winter months. To an agency like the library, whose product is service, and whose staff work to make available materials and programs which they hope the public will utilize to the maximum, this is solidly gratifying. To say the least, the library repeatedly is able to demonstrate that it is recession-proof!

Minicomputer

The library acquired a Radio Shack TRS-80 color computer, which was purchased with a state administered grant, at the beginning of the school year. Installed in the children's room, its two units, a TV-type video receiver and a typewriter-like computer unit, already have helped introduce many users to the computer age. Under the supervision of the children's room staff, use has been especially heavy during after-school hours, on weekends, and school vacation weeks.

Energy Concerns

In the continued pursuit of improved energy efficiency, a heating zone valve in the upper adult stacks was disconnected as experience had shown little need for it, and that it could be wasteful at times. Scale throughout the heating lines is being reduced, and heating efficiency increased correspondingly, with a monitored boiler treatment. The rented water heater was purchased, with a payback period of about one year, and an insulating jacket was installed. The southeast roof soffit was repaired in the late fall.

Mrs. Carroll's Retirement

Mrs. Frances C. Carroll retired from the Rutland Free Library staff after twenty-two years of service. In her position as Administrative Secretary and Interlibrary Loans Librarian, she was very familiar to the users of the library, at both the Information Desk and the Circulation Desk.

Fran's sense of humor and quick wit were appreciated by those who had contact with her. Also characteristic of her were high intelligence plus a good sense of how to approach various situations which arise in the course of public service. All of the staff who worked with her will attest to her exceptional stamina and her work capacity. We warmly wish Fran a very happy retirement.

Mrs. Gail Baker, a member of the library staff for the past four years, has assumed Mrs. Carroll's responsibilities. Mrs. Natalie Thomas, who had been librarian at Northeast School, has taken over Mrs. Baker's former position.

National Library Week

The observance of National Library Week, April 17-23, began with a Sunday afternoon piano concert and ended with a Saturday afternoon balloon send-off. Prior to the send-off, and following other programs presented during the week, were the Saturday events of a demonstration on cartooning, refreshments, and book certificate drawings for adults and children. In addition, a new library brochure was made available, and four printed topical booklists were distributed to banks and stores in the Rutland area during that week.

Fox Room

An additional table was purchased for use with Fox Room programs. A wide choice of these programs continues to be offered during the months of September through May. Sampling this year's offerings, persons attending could have a choice of the Pandemonium Puppets show, Audubon Society and Rutland Historical Society presentations, a musical instrument demonstration, travelogues, a marionette show, poetry readings, a jazz trio performance, meetings on investments, a health and physical fitness series, book reviews, a talk on palmistry, classical music concerts, and meetings of various groups, organizations, and networks, among other programs. All Fox Room programs are free and open to the public, with ideas for programs welcome by Program Director Debbie Ramage.

The Nella Grimm Fox Fund continues to support all of this programming, while it also funds the purchases of all of the books, periodicals, and audiovisual materials which the library provides. The City of Rutland maintains the solid support given the library over the years. Rutland Town voted to support the library for Fiscal 1983-84, and also for the last eight months of 1982-83. The library's central location makes it geographically accessible to all portions of the Town as well as to City residents.

Genealogical Research

Persons from various parts of the country continue to visit the library in their endeavors to track down their early Vermont roots. The Vermont Room Collection is one of the several strong genealogical and historical collections in the state. We also update it regularly as new titles or reprints of older pertinent works are published.

The library was host in September for a meeting of the Public Library Section of the Vermont Library Association. Held in the Lawrence Reading Room, also in the fall, was an exhibit, sponsored by the National Endowment for the Humanities, of manufactured toys which children have enjoyed during the past one hundred years.

Board of Trustees

President of the Rutland Free Library Board this year was Mrs. Paula W. Shortle. Royal W. Barnard and Julian H. Frankiewicz were the First and Second Vice Presidents, respectively. Secretary was Mrs. William B. Wright. Lewis J. Watson was Treasurer.

Committee chairpersons were: Bylaws, Edward R. Seager; Finance, Mr. Watson; Fox Room, Mrs. Wright; Nominating, Mrs. Robert H. Dombro; Personnel, Mr. Frankiewicz; and, chairing both the House and Planning Committees, Mrs. Richard J. Carey, Jr.

Other trustees included Thomas T. Adams, Jr.; and, resigning after several years of service on the Board, Mrs. Lee Forte, Dr. Philip G. Merriam, Mrs. Wendell M. Remington, and Thomas M. Welch. Replacing the latter four were James S. Fletcher, Thomas J. Hurcomb, R. Richard Smith, and Mrs. Margot Stinson.

The support and cooperation of Mayor Daley, the Board of Aldermen, Treasurer Ronald Graves, and other officials are greatly appreciated. The efforts of our supportive and involved trustees and conscientious staff also are invaluable. For my part, it is a privilege to participate in the library's ongoing role in the community, and I look forward to our opportunities to give good library service in the year ahead.

Respectfully submitted,
Charles D. Maurer
Director of the
Rutland Free Library

Hon. John J. Daley
Mayor of Rutland
City Hall
Rutland, Vermont 05701

Dear Mayor Daley:

I am happy to enclose the Financial Report of the Rutland Free Library Association, Inc., covering the period from July 1, 1982 to June 30, 1983.

On behalf of the Trustees, may I take this opportunity to express to you and to the members of the Library Committee, as well as the Board of Aldermen as a whole, our sincere appreciation for your cooperation and support in allowing our Library Association to offer a quality service to the people of Rutland.

Sincerely,
Lewis Watson,
Treasurer

Rutland Area Visiting Nurse Association, Inc.

ANNUAL REPORT 1982-83

To: Mayor Daley, City Council and Citizens of Rutland City

Home visiting and caring for people have been part of the VNA tradition for 37 years. Our health programs provide many needed services to your city. More and more people want to remain in their own home during an illness not only because of rising costs but because of a strong desire to be in familiar surroundings. We can help make this possible.

Direct services that have been provided this year are as follows:

	Visits
Skilled Nursing	5,354
Physical Therapy	1,069
Occupational Therapy	169
Speech Therapy	11
Aide	5,067
Homemaker	2,359 = 4,312 hours
Temporary Live-in	53 Days
Prenatal Couples	150
Clinic Clients	453
Unduplicated patients in home visit program	741

We will continue to work closely with all community agencies, hospitals and other health organizations to provide the best coordinated quality care possible.

The federal mandate appears to be encouraging more home care versus institutionalization. As your local VNA, we will do our best to provide as much home health service to meet these needs with our financial constraints.

It is a pleasure to serve you, and if you need home health care, call 775-0568. We are just a phone call away.

Thank you for your support. We look forward to another busy year.
